

Minnesota Tree Care Advisor Reactivation Request Form

The Minnesota Tree Care Advisor Reactivation Request Form is for Tree Care Advisors who became inactive due to not submitting the required volunteer or education hours, did not fill out the Temporary Inactive or Emeritus status change request form, and/or alerted program coordinators that they were going to place their membership as inactive for a period of time.

At this time, to become an active Tree Care Advisor again, you must also attend one best planting practices course hosted by or approved by the Minnesota Tree Care Advocate Program. This reactivation requirement is subject to change.

To reactivate your membership as a Tree Care Advisor please fill out this form and mail along with a \$10.00 reactivation fee.
